

## ***Homework***

Students are assigned homework according the following schedule: Monday – Social Studies (due Tuesday)  
Tuesday – Math (due Wednesday)  
Wednesday – Science (due Thursday)  
Thursday – English/Language Arts (due Friday)

Homework assignments will be approximately 20 minutes in length. If a student does not turn in homework on the appropriate day, the teacher will call the parent/guardian to let them know that the student did not turn in homework and the student will be assigned Homework Hall during lunch the next school day.

Example:

Laura is assigned Math homework on Tuesday to be completed Tuesday night and turned in on Wednesday. Laura does not turn in homework on Wednesday. Laura’s Math teacher calls Laura’s parent on Wednesday to let them know that Laura did not turn in the assigned homework and Laura will be assigned Homework Hall on Thursday during lunch. A sack lunch will be provided to Laura in the Homework Hall room. The student will attend homework hall regardless if the homework gets completed prior to Homework Hall.

## **Student Procedures**

1. Once assigned Homework Hall, students will report to the designated room at the very beginning of lunch period. Do NOT report to the cafeteria for any reason.
2. Sit silently during homework hall and begin your homework assignment while eating lunch.
3. If a student completes the homework assignment during lunch, student will remain in Homework Hall until the last 10 minutes of lunch.
4. If student turns in work on day of Homework Hall, student will still attend Homework Hall to work on current assignments and/or read.
