It's LOVE MONTH

We love our families here at Timmerman.

Thank you for coming out to participate in our science career night. It was a huge success. Good Luck to our 4th and 5th grade students who will be participating in the regional science fair.

Congratulations 3rd grade for a job well done on your community service project. This year our 3rd grade students raised \$434.68 for the Pflugerville Animal Shelter. The money they raised will help a dog named Scooter who broke his leg.

The days have been colder lately. Please make sure to send your students with coats and gloves. We have required monthly fire drills. Students will need their coats to stay warm. Also, don't forget school starts promptly at 7:35. Breakfast opens at 7:00. It's important to be on time so our kids don't miss their morning meetings with their classmates.

We are looking for mentors. If you are interested or just want to know more please contact Ms. Sommerfeld or me. We would love to get you connected with a very awesome kid!

Thank you for all your continued support of our students. You mean so much to our campus. Happy Early Valentine's Day.

Mrs. Watson

Timmerman PTO Needs You

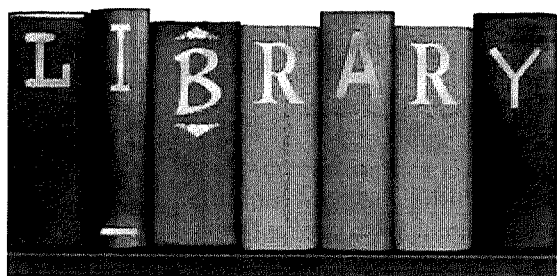

Consider serving your school through PTO. We need the offices of President, Vice President, Treasurer, and Secretary. We would love to have some fresh faces with new ideas! Please join us at our next meeting or email timmermanpto@gmail.com to let us know which position you are interested in. New officers start in July to get ready for the next school year

Walk-a-thon

Thursday, March 28th come on out and walk with your kiddos to raise money for a new STEM Lab at Timmerman. Pledge packets will be sent home March 6th. Any student who brings in at least \$1.00 will be entered into the Grand Prize Drawing!

Making a donation?

Library Corner

We have crossed 19,000 book circulations for the year so far! We are on the way to far surpass last year's total of 26,479. This means greater opportunities for students to grow as readers and discover things that interest them. It also means more chances to volunteer to help students find books or to shelve books that come back in.

We are also recognizing students who bring back their books on time. Students are earning reading rewards like extra check outs, bookmarks, pencils, book fair discounts, and free books. Many of our students have 6 or 12 weeks with no overdue books. We even have 11 students with at least 18 weeks of no overdue books!

However, there are students who have overdue books which block their accounts. Please help your children put their books in their backpacks so they can check out new books when they come to the library. If you have questions about your child's account, please contact me. Questions or interested in volunteering? Please contact Ms. McCoy, 512.594.4221 or elisabeth.mccoy@pfisd.net.
