Timmerman Elementary ~ 412 Swenson Farms Blvd. ~ (512) 594-4200

Dear Parents,

What an amazing year we have had this past school year. It's always so much fun to get up and come to work each day because of your children. They are the most beautiful, special group of kids in all of PFISD. I have watched them struggle through challenging work with grit, and they have remained curious when presented with new material. Furthermore they have terrific attitudes that define no other. They are resilient in face of whatever changing dynamics they encounter. We at Timmerman love serving you and your children. Thank you for working with us and being an awesome group of parents.

As I have shared from the beginning, my door is always open to talk with you about any needs or concerns you may have. Feel free to contact me at any time at 512-594-4211. It has been an honor to serve all of the Timmerman families once again this year. I hope you will be able to attend your child's award ceremony at the end of May. If you have a few extra minutes on May 20, come out and enjoy field day with your student. Coach Birt has some awesome activities planned for our kids.

If I do not get the privilege to have a face-to-face conversation with you in our last month of school, I hope you have a terrific summer.

In your service,

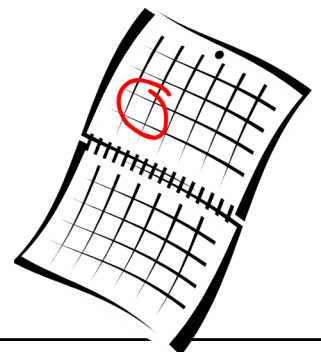

Mrs. Watson

Walk-a-thon Donor Thank you!

Zaxby's, Austin Telco, Thinology, Wag-A-Bag, The Home Depot, RBFCU, West Pecan Coffee + Beer

Special shout out to Ms Carter for stepping in!

Library Corner

The last day for book check outs will be Friday, 5/10. All books will be due no later than Tuesday, 5/21. If you would like to see what your child has checked out, go to <https://library.pfisd.net/>. Click on Timmerman. Click the LOGIN button in the upper right-hand corner of the screen. Students will use their regular computer login. The "My Info" tab contains their library account.

Check out what's going on at the Pflugerville Public Library this summer, starting with their Maker Pfest on Saturday, June 1. Visit <https://library.pflugervilletx.gov/events-classes/annual-events/summer-reading-program> for information and program dates.

As summer approaches, don't forget summer reading! Students who don't read much over the summer can lose learning while they're not in school and come back less ready to learn than students who did read. Even a few books make a difference! Stop by the library as a family to check out books on the last day of school. Return them to school (if the office is open), the public library, or bring them back to school in August!

If you have questions or would like to volunteer, contact Ms. McCoy (elisabeth.mccoy@pfisd.net or 512.594.4221).
