

STAAR Report Card

STAAR Report Cards and additional data for 2019 administrations of STAAR will be available to parents at <https://www.texasassessment.com/> according to the schedule below.

For students enrolled in STAAR EOC subjects and grades 3-8, parents will have access to individual student results, including test items and student responses for most subjects.

You may access your child's online STAAR Report Card, formerly known as the Confidential Student Report, by visiting the Texas Assessment website at <http://www.TexasAssessment.com/students>. Log into the system using your child's unique Portal Access Code and date of birth.

What if I don't know my child's unique access code?

- If your child has taken a STAAR test previously, and you have a STAAR Confidential Student Report, the access code is located at the bottom of that report.
- For the convenience of PflSD parents, we have added the unique access code to the Focus Parent Portal. Instructions: [English](#), [Spanish](#), [Vietnamese](#)
- You may also look up the unique access code online. To retrieve this code, go to the link stated above. Click on the **"WHERE'S MY UNIQUE ACCESS CODE?"** link found in the purple box on the [Texas Assessment homepage](#). This will redirect you to the Texas Assessment Data Portal where you will click on "Lookup Access Code" and complete the student information. *Note: For most students, the PEIMS ID is the same as the social security number.*

Understanding the STAAR Student Report Card

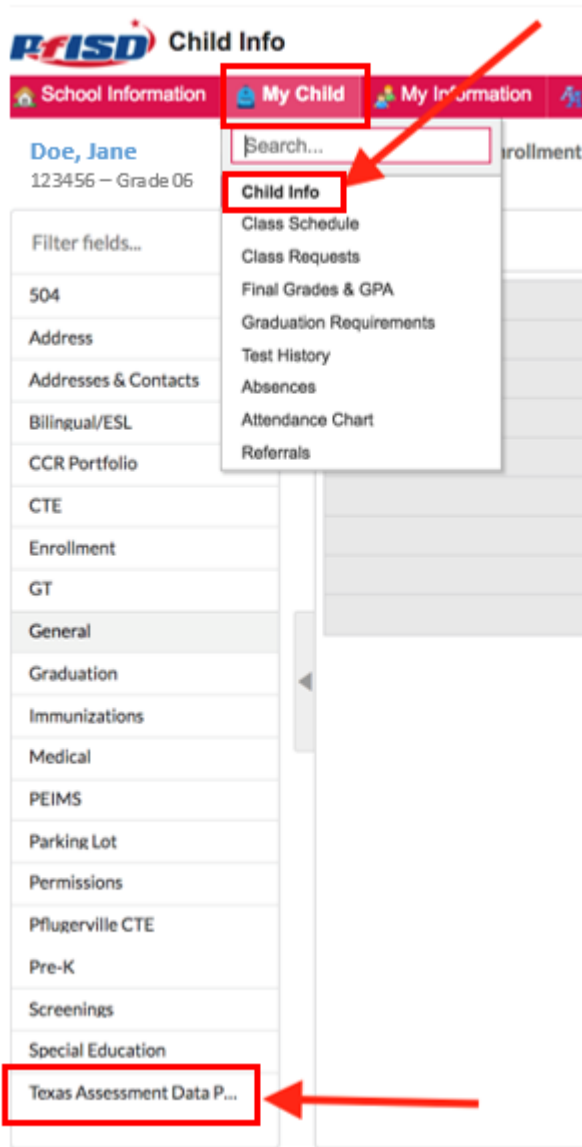

Helpful information for understanding the STAAR Student Report Card can also be found on the state's webpage by clicking on the "Learn More" link found under the "I need help understanding the score sheet" section. This information is available in both English and Spanish.
